**Attachments:** OCSPP-14 - PFAS Pesticide Containers\_04.06.2021\_for AA.docx

Kimberly provided this blurb to address Michal's comment to add the point about the newest issue w the non HPDE container to the Key Points section. As requested by the IO, this statement was already added to the background section. To avoid redundancy, I tweak it. See below. Let me know if you want to keep BEAD's version or use the tweaked version.

## **Ex. 5 Deliberative Process (DP)**
